

Auditors' Report on the Consolidated Financial Statements Pursuant to Art. 156 of Legislative Decree no. 58 of February 24, 1998

To the Stockholders of FIAT S.p.A.

We have audited the consolidated financial statements of Fiat S.p.A. and its subsidiaries (the "Fiat Group") as of and for the year ended December 31, 2007, which comprise the consolidated balance sheet, the consolidated statements of income, changes in stockholders' equity, and cash flows and the related explanatory notes. These consolidated financial statements are the responsibility of the Company's Directors. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with the Auditing Standards recommended by CONSOB, the Italian Regulatory Commission for listed Companies and the Stock Exchange. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Directors, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion. For the opinion on the prior year's consolidated financial statements, the balances of which are presented for comparative purposes, reference should be made to our auditors' report issued on February 22, 2007.

In our opinion, the consolidated financial statements present fairly the financial position of the Fiat Group as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union and the requirements of national regulations issued pursuant to art. 9 of Italian Legislative Decree no. 38/2005.
